On behalf of Yum Yums Deli at 22004 Farmington Road, request for two variances to Table 25-09 in order to install a 29.25 s.f. illuminated sign on the west wall of the Crossroads Shopping Center.

- City ordinance limits the number of wall signs to one; Happy's Pizza currently has a 126 s.f. sign on the west wall.
  - The area of the two wall signs, if allowed, would total 155.25 s.f.; the maximum area for signage outside downtown Farmington is 150 s.f.
